Pork Loins Center Cut Boneless 3pc Portions V.P.

This product is made from selected Butcher Pork Loins. These pork loins are boned out by our highly skilled butchers. The loin is trimmed to a 1/4" max fat with a 3/4" average side strap. The loin end is removed at the pin bone with a straight cut, even with the pork loin. The rib end side is short cut to show a minimum 2 1/2" diameter total muscle area. The boneless center cut is then cut into 3 portions and individually vac packed and packed 18 portions per box.
