**UPC# 90743692430801**

**Pork Loin Trimmings 8**

These are the leaner pieces of Pork Trimmings that come off of our Select Butcher Loins when they are further processed. They are packed 60lbs in a wax coated box then T strapped. The product is then placed on a pallet with spreaders then frozen.

**Loading**

The product is floor loaded on a container, unless the load is requested to be palletized on the container.
